

ATHLETES FRIENDLY EDUCATION

INVITATION TO THE FINAL CONFERENCE

Olympic Committee of Slovenia together with partners led a project with the support of the Erasmus + Programme of the European Union. Main aim of the project was establishment of evaluation system of Educational institutions which supports Athletes during their sport career and education.

At the final conference partners would like to share with participants results of the project - especially Athletes Friendly Education Handbook – Award for Educational Institutions supporting the Dual Career of Athletes.

Final conference of the Athletes Friendly Education will start on:

Wednesday, December 15th, 2021 at 14.00 Central European Time.

The conference will be organized on-line using Microsoft Teams Application.

You are kindly invited to use the link to join the conference: [Click here to join the conference](#)
